

# Physics - Year 11

## Autumn (Michaelmas) Term

What we are learning...	Consolidation	Deepen & Challenge
Retrieval of Year 10 module - Energy changes	Register with my-gcse-science.com to view <a href="#">this</a> lesson	-
Forces - types of force	<a href="#">Forces lesson</a>	-
Newton's 3 laws	<a href="#">These flashcards</a> are great for revision! The site also has mind maps, summary notes and questions <a href="#">here</a> .	<a href="#">Forces Exam Questions</a>
Transverse and longitudinal waves	Transverse and longitudinal waves revision on <a href="#">BBC Bitesize</a>	-

## Spring (Lent) Term

What we are learning...	Consolidation	Deepen & Challenge
Retrieval of some Paper 1 content	<a href="#">Solids, liquids and gases</a>	<a href="#">GCSE Physics Revision Quizlet</a>
EM waves	Watch this youtube video on <a href="#">Electromagnetic Waves</a>	-
Magnetism and Electromagnetism	<a href="#">Flashcards, mind maps and summary notes for revision</a>	<a href="#">Exam Questions</a>

## Summer (Trinity) Term

What we are learning...	Consolidation	Deepen & Challenge
Revision	<a href="#">AQA Physics Past Papers</a> <a href="#">AQA Physics on BBC Bitesize</a> Other good revision resources for a range of subjects are <a href="#">Quizlet</a> and <a href="#">Seneca Learning</a>	<a href="#">BBC sounds</a> - these podcasts take you through the key things to know for GCSE Physics.
